

## SouthPark Townhouse Painting

### Painting Procedure

**Inspection of all townhomes and the requirement to paint is determined annually by the ACC. However, if you decide to paint before being notified by the ACC, you are required to follow the approval process**

Send your request (manufacturer and number) to

AMI  
PO Box 370750  
Denver CO 80237  
Or) Fax: 720-633-9778  
Or) E-mail: [clientcare@amihoa.com](mailto:clientcare@amihoa.com)

Be sure to include your name, address and a daytime phone number. If using a manufacturer other than the one listed for your building, please include both the selected manufacturer/number and the approved reference color (SW, KW or BM) that it matches.

If you have any questions about this process or desire more information, please contact Client Care at 720-633-9778

**July 2004**

Note: Writer was not able to provide us with the original paint specifications. This is the closest match that can be found. We found it necessary to do this, since over the years the schemes have drifted and changed depending on the painter and where the match sample was taken from.
